(CERTIFIED PRO TRADER)**

**3 MONTHS  
'KNOWLEDGE'**

**3 MONTHS  
'PRACTICAL INTERNSHIP'**

**3 MONTHS  
'KNOWLEDGE'**

**CFMP  
'CERTIFIED FINANCIAL MARKET PROFESSIONAL'**

It is a comprehensive program for people who want to have a career in financial market but not having knowledge that where to start from or how to make an entry into financial market. It is elaborative knowledge base program.

# **CPT – 6 MONTHS (CERTIFIED PRO TRADER)**

**It is designed to make you professional trader. It will also help you to kick away the basic hurdles of investing and trading. The CPT will enable you to make best to best decisions which are fruitful in Stock Market.**

# **CTIM - 3 MONTHS**

**{CERTIFIED TRADING IN INTERNATIONAL MARKET}**

**It is comprehensive training in Trading in International Markets. We have also tie up with various brokers internationally. The country it consists of US Market, European Market, UK and Germany as well.**

# **CAT - 6 WEEKS**

**{CERTIFIED ALGO TRADER}**

**You might aware that ALGO Trading is the latest and the most advance trading methodology. It allows us to do multiple trades simultaneously which is not possible in manual trading. It works on rule based automated system.**

# **CDT – 2.5 MONTHS**

**{CERTIFIED DERIVATIVES TRADER}**

**Futures & Options trading is by very nature very risky and equally profitable. Most people burn their fingers and lose money while experimenting with this trading.**

**The whole objective of the program is to deliver the practical knowledge of F & O Trading , after the program you are able to confidently trade in Equity Futures &Options, Nifty Futures & Options.**
